

40,000 in All Italy

Nazis Have 9,000 Casualties At Cassino Since January

NAPLES, March 9.—(AP)—Fifth Army forces have inflicted 9,000 casualties on the Germans in and around Cassino since the end of January, bringing total enemy losses in Italy for that period to approximately 40,000. Allied headquarters announced today.

Grave Concern As Additional Miners Strike

LONDON, March 9.—(CP)—The coal strike in the rich Welsh fields spread to more alarming proportions today when a fresh wave of walkouts boosted the number of idle miners to 90,000 out of a total of 100,000.

The strike spread to the Swansea anthracite district this morning when 14 pits closed down.

The new walkouts dealt a severe blow to optimism engendered last night when it appeared that one of the chief obstacles to settlement of the dispute was removed at a conference of miners and operators presided over by fuel minister George Lloyd George.

The fuel minister accepted an agreement between the miners and operators permitting extra pay for those working in excessive dust and heat.

Except in isolated instances, however, the miners ignored the offer and expected to continue the strike pending a full review of the wage problem. Miners resumed operations and two or three others were working with caution crews, but the general back-to-work move.

Editorial comment in the press reflected grave concern over the consequences of a strike at a time when the world is taking action coming Allied offensive against western Europe.

Union leaders to whom they were joining the government in appeal urged the miners to return to work but declared the men had demanded a full explanation of the government's intentions.

New Churchill, F.D.R. Meeting Expected Soon

WASHINGTON, March 9.—(CP)—Plans for another Churchill-Roosevelt conference are believed to be under way, probably to follow closely after the forthcoming visit to London by the United States Assistant Secretary of State, Edward Stettinius.

The next meeting between the two Allied leaders will be dealt with particularly with war and peace objectives in Europe.

President Roosevelt announced a few days ago that Stettinius and a number of cabinet members would be in London as soon as State Secretary Cordell Hull returns from a recent trip to the Soviet Union.

It is likely that one route which may be in some portions or overlap of the routes of the American Trans-Canada Air Lines may fly the route to the British Isles.

Yanks Attack Berlin Second Time in 2 Days

Continued from Page One
The second straight bombardment of Berlin by the United States in four days emphasized the weight of the drive to stamp out the remaining military potential of the Third Reich and the threat to the city of the skies over its homeland.

US headquarters announced that 125 German bombers were shot down yesterday, 42 by Fortresses and Mustangs, and 83 by the United States Army Air Corps.

Though German censorship claimed that only 100 bombers were shot down, the British and American correspondents in Berlin, the Stockholm Morgenthauingens reported that the destruction of the bombers was confirmed by the fact that the city of Berlin was hit by a number of incendiary bombs dropped by the raiders.

The bomber attack, 16 miles east of the city of Berlin and southeast of the city of Berlin, was a direct result of the German plan to use the city of Berlin as a base for a new offensive against the Allies.

CANADIAN RED CROSS

In life, as in fiction, events mount to a CRISIS . . . that supreme hour of tension and effort, when everything we have and are, our lives, our wealth, our prayers, must be thrown, unreservedly and with all our might, into the balance. That hour is near. Now, as never before, the Mercy that is Red Cross will be needed to support and comfort our brothers . . . our husbands . . . our sons in their great crisis. It is in their name, and against their fast-approaching need, that the Canadian Red Cross now asks your most liberal generosity to this National Appeal.

SECOND SECTION

EDMONTON, ALBERTA—THURSDAY, MARCH 9, 1944

PAGE NINE

Edmonton Budget \$1,818,456 Passed by House

\$1,322,459 Is Provided For Dept. of Agriculture As Estimates Considered

The Alberta Legislature in committee of supply Wednesday held its first lengthy tussle with departmental estimates since the present session began, and passed appropriations totalling \$1,818,456 for various departments.

I Saw Today

Largest vote passed was for the department of agriculture, where the total appropriations passed amounted to \$1,322,459. Other major appropriations were legislation \$352,891, and executive council, \$243,106.

Two appropriations out of the executive council estimates were held over for later discussion, \$60,000 for the research council of Alberta and \$12,000 for expenses of the Alberta post-war reconstruction committee.

BREAKDOWN OF TOTAL
The agriculture estimates passed are broken down as follows: Agriculture department, income account \$618,091; capital account, \$126,745; water resources branch, income account, \$533,130; capital account, \$50,543; and agricultural relief, capital account, \$20,600.

During discussion on a vote in the agriculture estimates for \$17,070 for destruction of noxious weeds, George MacLachlan (Ind., Macleod), asked the minister of agriculture (Hon. D. Bruce MacMillan) what was being done to the noxious weeds in the north-eastern area.

Replying Mr. MacMillan said the weed destruction vote should be as large as the noxious weeds in the north-eastern area. He said that the noxious weeds in the north-eastern area were being destroyed by the department of agriculture. He said that the noxious weeds in the north-eastern area were being destroyed by the department of agriculture.

GORDON OWEN discussing Lions club affairs with a friend on 106 street.

Robert S. Alkin, on his way to his daily work, Max Ice Rodgers carrying a morning cup of coffee with a friend, C. S. Cummer, supervising activities in his place, Mrs. R. Corbett at her desk in the Mountbatten building, Mrs. Lynch hauled against the wind, and Mr. J. H. Corbett at his desk in the C.P.R. Building elevator.

Lumberman Dies From Head Injury
Joseph Whibbs, employee of the Riter and McDougall lumber camp, about 40 miles west of Winfield, was killed instantly about 10 a.m. Wednesday, when struck on the head by a log, according to R.C.M.P.

Whibbs was said to have been working in the bush at the time. A caterpillar was pushing logs and one of them fell, striking him on the head.

Car Missing
A maroon-colored sedan, property of Jerome St. Louis, Pickardville, was stolen from the front of St. Regis hotel between 9 and 10 p.m. Wednesday, according to city police. License number of the vehicle was not given.

Health Services Financial Plan Is Considered

OTTAWA, March 8.—(C.P.)—The House of Commons, Social Security today considered recommendations submitted by financial experts of the government for Dominion grants to the provinces to assist in health services.

The grants proposed are: 1. General public health grant of 25 cents per capita of population, which would total about \$2,872,420. 2. Tuberculosis treatment grant to the provinces \$2,000,000. 3. Tuberculosis treatment grant of 50 per cent on basis of population and 50 per cent based on the average number of deaths from tuberculosis in each province over the previous five years.

4. Venereal disease control grant of \$1,000,000 a year for 10 years, to be distributed 50 per cent on the number of new cases reported in any province during the previous calendar year.

5. Professional training grant of \$500,000 a year. 6. Public health research grant of \$500,000 a year for 10 years for additional Dominion assistance in case of epidemics.

It was explained to the committee that these grants would be in addition to the grants already being provided by the Dominion government.

Edmontonian Will Address South Meeting
D. E. Cameron, librarian, University of Alberta, who will be the main speaker at a dinner Monday night in connection with the two-day conference of the Western Section of the Canadian Electrical Association, at Calgary.

Among the authorities on farm electrification who are gathering at the conference will be Andrew Stewart, professor of political economy, department of agriculture, University of Alberta, who presented an "abstract review" of the farm electrification in the province to the Research Council of Alberta at the request of the provincial government.

MANITOBA MEMBERS
The three Manitoba members of the Canadian Electrical Association, who are attending the conference, are: Mr. J. H. Corbett, president of the Manitoba Electrical Association, who is attending the conference as a delegate; Mr. J. H. Corbett, president of the Manitoba Electrical Association, who is attending the conference as a delegate; Mr. J. H. Corbett, president of the Manitoba Electrical Association, who is attending the conference as a delegate.

Post-war developments will be the subject of a paper by Mr. J. H. Corbett, president of the Manitoba Electrical Association, who is attending the conference as a delegate.

Lauds Workers Street Railway Patronage Sets New High Mark

Traffic on Edmonton's street railway system, during the first week of March, set a new one-day record when 130,802 persons used the cars.

During February this year 270,771 passengers were carried compared with 237,041 for the same month last year, an increase of 13.7 per cent.

The trolley bus route running to the South side by way of McLeod, which had an increase of 38.5 per cent during February this year compared with the same month last year, and the traffic on the bus route on 102 avenue from 124 street to Jasper Place, an increase of 30.3 per cent.

Transit Controller George Gray, D.C.M., who was awarded the Distinguished Conduct Medal posthumously for gallantry during the Italian campaign, born at Lublin, Poland, Dec. 19, 1915, he came to Canada in 1927. He enlisted in October 1939, and went overseas later that year. He served in the Sicilian campaign, was killed to go to Italy with the 1st Airborne Division, and was killed in action Dec. 10, 1943. His father, John Bober, lives at Derwent, B.C., and his mother, Mrs. M. J. Bober, lives at Derwent, B.C.

He said that he was very favorably impressed with the operations and equipment, but would make some suggestions for improvement. He said that he had completed a nationwide survey he is now making.

He said that Edmonton was mainly responsible for the success of the survey, as well as, better than most Canadian cities.

Blowey-Henry Firm Re-opens
Re-opening for business of the long-established city furniture firm of Blowey-Henry Company, Ltd., was announced Thursday by T. Henry, president. The firm's warehouse on Thornton Street was destroyed by fire last Sunday night, resulting in a loss of about \$100,000.

Mr. Henry said that the firm had re-opened its service to the public and was carrying on in the new premises with the same staff and line with the best traditions of the American Red Cross and the Red Cross as a whole.

He recalled that he was familiar with the Red Cross activities through years of association, and he knew that when an emergency arose it would be the duty of things going first class service.

Mr. Henry also paid warm tribute to the department, which acquired itself in a creditable, efficient manner.

IS CONTINUING
The Blowey-Henry Company, he said, is continuing in its temporary premises with the same staff and line with the best traditions of the American Red Cross and the Red Cross as a whole.

Whether or not the building on Thornton Street will be rebuilt is still under consideration. The company is making an examination of the building and the surrounding area.

Mr. Henry, who flew here by airplane from Victoria, plans to return to the coast on Thursday.

University Group Elects Officers
Walter Jones was chosen president of the Philosophical Society of the University of Alberta at the annual meeting of that body held Wednesday.

F. M. Salter is honorary president of the society essay contest. Other officers are as follows: Vice-president, Dr. H. H. Brown; Secretary, W. W. Preston; and Secretary, D. B. Scott.

Members of the society essay contest were announced as follows: First prize, Anselm H. Brown; Second prize, Leslie Davidson; and Third prize, Roy Haydon.

Address of the evening was delivered by Dr. E. H. Moss and the subject was "Man the Dominant Animal." The speaker was Dr. E. H. Moss.

All members of the board of officers elected are on the faculty of the University of Alberta.

U. of A. Students Select Officers
At Harper was elected president of the University of Alberta Students' Union Wednesday. Other officers elected were: Vice-president, Dr. H. H. Brown; Secretary, W. W. Preston; and Secretary, D. B. Scott.

Members of the society essay contest were announced as follows: First prize, Anselm H. Brown; Second prize, Leslie Davidson; and Third prize, Roy Haydon.

Address of the evening was delivered by Dr. E. H. Moss and the subject was "Man the Dominant Animal." The speaker was Dr. E. H. Moss.

All members of the board of officers elected are on the faculty of the University of Alberta.

Govt. House May Be Used For Museum

Possible use of the Government House property, as a provincial museum was hinted at by Dr. L. J. O'Brien (Ind., Grande Prairie).

At the House, in committee of supply, was finishing work on agriculture department appropriations. Dr. O'Brien brought the matter of a museum to the attention of the committee, saying there was a great need for one in this province. He referred to the B.C. government's museum in the legislative buildings at Victoria, the Royal Ontario Museum, and the one operated by Laval University in Quebec.

DISGRACE TO PROVINCE
"We have no provincial museum here, and what we have is a disgrace to the province," said Dr. O'Brien.

Premier Manning replied to the Government House, saying it was the intention of the government to provide a museum, he told committee members.

Some consideration has been given to the use of the Government House for this purpose, but it was not completely made up by negotiations now under way with Ottawa for use of the museum property.

Dr. O'Brien expressed gratification that the government was considering a museum, and suggested that it might be advisable to erect a new building for museum purposes. He said it was difficult to get one which would be satisfactory as a museum.

Boy Falls Asleep In City Street Car
A 13-year-old boy, picked up by city police about 4:30 a.m. Thursday, said he had fallen asleep in a city car after leaving a picture show. Since leaving the train he had walked about the streets, he added.

Mother of the boy told police that he had been in a picture show for some time, and that he had fallen asleep in the car. She said she had been looking for him since leaving the train he had walked about the streets, he added.
